Anti-sialate O-acetylesterase antibody

Catalog Number: 100499

Product name

Anti-sialate O-acetylesterase antibody

Immunogen

<u>Human sialate O-acetylesterase (His Tag)</u> recombinant protein

Specificity

Human SIAE / AIS6

Antibody description

Rabbit polyclonal to sialate O-acetylesterase

Preparation

Produced in rabbits immunized with purified, recombinant Human SIAE / AIS6 (rh SIAE / AIS6; Q9HAT2-1; Met1-Lys523). SIAE / AIS6 specific IgG was purified by Human SIAE / AIS6 affinity chromatography.

Formulation

0.2 µm filtered solution in PBS with 5% trehalose

Storage

This antibody can be stored at 2°C-8°C for one month without detectable loss of activity. Antibody products are stable for twelve months from date of receipt when stored at -20°C to -80°C.

Preservative-Free.

Sodium azide is recommended to avoid contamination (final concentration 0.05%-0.1%). It is toxic to cells and should be disposed of properly. Avoid repeated freeze-thaw cycles.

Clonality

Polyclonal

Ig Type

Rabbit IgG

Applications

ELISA, IHC-P

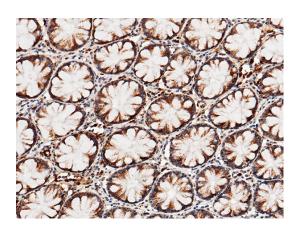

Dilutions

ELISA: 0.1-0.2 μg/mL

This antibody can be used at $0.1-0.2 \mu g/mL$ with the appropriate secondary reagents to detect Human SIAE / AIS6. The detection limit for Human SIAE / AIS6 is approximately 0.00975 ng/well.

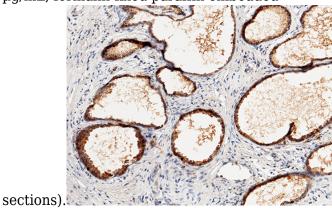

IHC-P: $0.1-2 \mu g/mL$

Validations

sialate O-acetylesterase / SIAE Antibody, Rabbit PAb, Antigen Affinity Purified, Immunohistochemistry

Immunochemical staining of human SIAE in human colon with rabbit polyclonal antibody (1 µg/mL, formalin-fixed paraffin embedded

Anti-sialate O-acetylesterase antibody

Catalog Number: 100499

sialate O-acetylesterase / SIAE Antibody, Rabbit PAb, Antigen Affinity Purified, Immunohistochemistry Immunochemical staining of human SIAE in human prostate with rabbit polyclonal antibody (1 μ g/mL, formalin-fixed paraffin embedded sections).
