

Anti-Sorcin antibody

Catalog Number: 101059

Product name

Anti-Sorcin antibody

Immunogen

[Human Sorcin \(His & GST Tag\) recombinant protein](#)

Specificity

Human Sorcin / SRI

Antibody description

Rabbit polyclonal to Sorcin

Preparation

Produced in rabbits immunized with purified, recombinant Human Sorcin / SRI (rh Sorcin / SRI; P30626; Met1-Val198). Sorcin / SRI specific IgG was purified by Human Sorcin / SRI affinity chromatography.

Formulation

0.2 µm filtered solution in PBS

Storage

This antibody can be stored at 2°C-8°C for one month without detectable loss of activity. Antibody products are stable for twelve months from date of receipt when stored at -20°C to -80°C. Preservative-Free.

Sodium azide is recommended to avoid contamination (final concentration 0.05%-0.1%). It is toxic to cells and should be disposed of properly. Avoid repeated freeze-thaw cycles.
