| For additional information on toxicity, please refer to Section 11.  | For additional information on toxicity play                      | ase refer to Section 11                                   |  |

For additional information on toxicity, please refer to Section 11.

| Section 4- First Aid Measures     |   |
|-----------------------------------|---|
| Oral Exposure                     | If swallowed, wash out mouth with water provided person     |
|                                   | is conscious. Call a physician.                             |
| Inhalation Exposure               | If inhaled, remove to fresh air. If breathing becomes       |
|                                   | difficult, call a physician.                                |
| Dermal Exposure                   | In case of skin contact, flush with copious amounts of      |
|                                   | water for at least 15 minutes. Remove contaminated          |
|                                   | clothing and shoes. Call a physician.                       |
| Eye Exposure                      | In case of contact with eyes, flush with copious amounts of |
|                                   | water for at least 15 minutes. Assure adequate flushing by  |
|                                   | separating the eyelids with fingers. Call a physician.      |
|                                   |   |
| Section 5- Fire Fighting Measures |   |
| Flash Point                       | Not available   |
| Autoignition Temp                 | Not available   |
| Flammability                      | Not available   |
| Extinguishing Media               |   |
| Suitable                          | Carbon dioxide, dry chemical powder, or appropriate foam.   |
|                                   | Water spray   |
| Fire Fighting                     |   |
| Protective Equipment              | Wear self-contained breathing apparatus and protective      |
|                                   | clothing to prevent contact with skin and eyes.             |
| Specific Hazard(s)                | Emits toxic fumes under fire conditions.                    |
| _                                 | 1 / 4   |

| Section 6- Accidental Release Measures |  |  |
|--|--|--|
| Procedure to be Followed in Case of    | Evacuate area  |  |
| Leak or Spill                          |  |  |
| Procedure(s) of Personal Precaution(s) | Wear respirator, chemical safety goggles, rubber boots,      |  |
|  | and heavy rubber gloves                                      |  |
| Methods for Cleaning up                | Sweep up, place in a bag and hold for waste disposal.        |  |
| Methods for Cleaning up                | Avoid raising dust. Ventilate area and wash spill site after |  |
|  | material pickup is complete.                                 |  |
|  | natorial plokap is complete.                                 |  |
| Section 7-Handling and Storage         |  |  |
| Handling                               |  |  |
| User Exposure                          | Avoid inhalation. Avoid contact with eyes, skin, and         |  |
|  | clothing. Avoid prolonged or repeated exposure.              |  |
| Storage                                | clothing. Avoia proionged of repeated exposure.              |  |
| Suitable                               | Keep tightly closed  |  |
| Storage at -20°C                       | Roop lightly blobba  |  |
|  |  |  |
| Section 8-Exposure Controls/Persona    | l Protection Equipment                                       |  |
| Engineering Controls                   | Mechanical exhaust required                                  |  |
| Personal Protective equipment          | 1  |  |
| Respiratory                            | Use respirators and components tested and approved           |  |
|  | under appropriate government standards such as NIOSH         |  |
|  | (US) or CEN (EU). Respiratory protection is not required.    |  |
|  | Where protection from nuisance levels of dusts are desired,  |  |
|  | use type N95 (US) or type P1 (EN 143) respirator.            |  |
| Other                                  | Wear appropriate government approved respirator,             |  |
|  | chemical-resistant gloves, safety goggles, other protective  |  |
|  | clothing.  |  |
| General Hygiene Measures               | Wash thoroughly after handling                               |  |
|  |  |  |

| Section 11- Toxicological Information  |  |
| Route of Exposure<br>Skin Contact<br>Eye contact<br>Inhalation   | Avoid contact with skin.<br>Avoid contact with eyes. May cause slight irritation.<br>Avoid breathing vapors or mists. May cause irritation of<br>respiratory tract.    |
| Ingestion<br>Conditions Aggravated by Exposure   | Ingestion may cause gastrointestinal irritation, nausea,<br>vomiting and diarrhea.<br>The toxicological properties have not been thoroughly<br>investigated.           |

This product is for experimental uses only. The product has not been completely analyzed and all of the hazards may not be known.

| Section 12- Ecological Information                            |  |
|---|--|
| No data available.  |  |
|   |  |
| Section 13- Disposal Considerations                           |  |
| Appropriate Method of Disposal of<br>Substance or Preparation | Contact a licensed professional waste disposal service to<br>dispose of this material. Dissolve or mix the material with a<br>combustible solvent and burn in a chemical incinerator<br>equipped with an afterburner and scrubber. Observe all<br>federal, state, and local environmental regulations. |
| Section 14- Transport Information                             |  |
| DOT   |  |
| Proper Shipping Name  | None   |
| Non-Hazardous for Transport                                   | This substance is considered to be non-hazardous for transport.  |
| IATA  |  |
| Non-Hazardous for Air Transport                               | Non-hazardous for air transport  |

| Section 15- Regulatory Information   |   |
|--------------------------------------|---|
| US Classification and Label Text     |   |
| US Statements                        | Caution: The chemical, physical, and toxicological properties<br>of this product have not been thoroughly investigated.<br>Exercise due care. |
| United States Regulatory information |   |
| SARA Listed                          | No  |
| Canada Regulatory information        |   |
| WHMIS Classification                 | This product has been classified in accordance with the   |
|                                      | hazard criteria of the CPR, and the MSDS contains all the   |
|                                      | information required by the CPR.  |
| DSL                                  | No  |
| NDSL                                 | No  |

## Section 16- Other Information
