

Revision Date:15-Jan-2020

| Section 1-Identification of Substance/ Identification of Company    |   |  |
|---|---|--|
| Product name  | Angiotensin I-converting enzyme inhibitor 9               |  |
| Product Cat. No.  | 307382  |  |
| Chemical Formula:   | $C_{21}H_{30}N_4O_7$                                      |  |
| Supplier:   | NovoPro Bioscience Inc.                                   |  |
|   | Phone: +86-21-61941042                                    |  |
|   | Fax: 86-216-194-1042                                      |  |
| Section 2-Composition / Information on Ingredients                  |   |  |
| Substance/Preparation:  | Substance   |  |
| Ingredient Name   | Angiotensin I-converting enzyme inhibitor 9               |  |
| SARA 313  | No  |  |
|   |   |  |
| Section 3- Hazards Identification                                   |   |  |
| Classification  | This substance/mixture is not considered hazardous by the |  |
|   | 2012 OSHA Hazard Communication Standard (29 CFR           |  |
|   | 1910.1200)  |  |
| GHS Label elements, including precautionary statements              |   |  |
| Signal Word   | Not classified  |  |
| Hazard statement(s)   | None.   |  |
| Precautionary Statement(s)  | None.   |  |
| Supplementary Hazard Information                                    | May produce an allergic reaction                          |  |
| Hazards not otherwise classified                                    | Not applicable.   |  |
| (HNOC)  |   |  |
| For additional information on tonicity places refer to Castion 11   |   |  |
| For additional information on toxicity, please refer to Section 11. |   |  |

For additional information on toxicity, please refer to Section 11.

| Section 4- First Aid Measures     |   |
|-----------------------------------|---|
| Oral Exposure                     | If swallowed, wash out mouth with water provided person is conscious. Call a physician.   |
| Inhalation Exposure               | If inhaled, remove to fresh air. If breathing becomes difficult, call a physician.  |
| Dermal Exposure                   | In case of skin contact, flush with copious amounts of<br>water for at least 15 minutes. Remove contaminated<br>clothing and shoes. Call a physician.                               |
| Eye Exposure                      | In case of contact with eyes, flush with copious amounts of<br>water for at least 15 minutes. Assure adequate flushing by<br>separating the eyelids with fingers. Call a physician. |
| Section 5- Fire Fighting Measures |   |
| Flash Point                       | Not available   |
| Autoignition Temp                 | Not available   |
| Flammability                      | Not available   |
| Extinguishing Media               |   |
| Suitable                          | Carbon dioxide, dry chemical powder, or appropriate foam.<br>Water spray  |
| Fire Fighting                     |   |
| Protective Equipment              | Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes.  |
| Specific Hazard(s)                | Emits toxic fumes under fire conditions.  |
|                                   | 1 / 4   |

| Section 6- Accidental Release Measur   | 200  |
|--|--|
| Procedure to be Followed in Case of  | Evacuate area  |
| Leak or Spill  |  |
| Procedure(s) of Personal Precaution(s)   | Wear respirator, chemical safety goggles, rubber boots,  |
|  | and heavy rubber gloves  |
| Methods for Cleaning up  | Sweep up, place in a bag and hold for waste disposal.  |
| Hethous for creaning up  | Avoid raising dust. Ventilate area and wash spill site after   |
|  | material pickup is complete.   |
|  |  |
| Section 7-Handling and Storage   |  |
| Handling   |  |
| User Exposure  | Avoid inhalation. Avoid contact with eyes, skin, and   |
|  | clothing. Avoid prolonged or repeated exposure.  |
| Storage  | clouinig. Avoia proiongoù or repeated exposure.  |
| Suitable   | Keep tightly closed  |
| Storage at -20°C   | Toop again foroson   |
|  |  |
| Section 8-Exposure Controls/Persona  | l Protection Equipment   |
| Engineering Controls   | Mechanical exhaust required  |
| Personal Protective equipment  | ······································   |
| Respiratory  | Use respirators and components tested and approved   |
| <b>1</b>   | under appropriate government standards such as NIOSH   |
|  | (US) or CEN (EU). Respiratory protection is not required.  |
|  | Where protection from nuisance levels of dusts are desired,  |
|  | use type N95 (US) or type P1 (EN 143) respirator.  |
| Other  | Wear appropriate government approved respirator,   |
|  | chemical-resistant gloves, safety goggles, other protective  |
|  | chemical resistant groves, safety goggies, other protective  |
|  | clothing.  |
| General Hygiene Measures   |  |
|  | clothing.<br>Wash thoroughly after handling  |

| Section 10- Stability and Reactivity   |  |
| Stability<br>Stable<br>Hazardous Decomposition Products<br>Hazardous Decomposition Products<br>Hazardous Polymerization<br>Hazardous Polymerization  | Stable<br>Nature of decomposition products not known.<br>Will not occur  |
|  |  |
| Section 11- Toxicological Information  |  |
| Route of Exposure<br>Skin Contact<br>Eye contact<br>Inhalation   | Avoid contact with skin.<br>Avoid contact with eyes. May cause slight irritation.<br>Avoid breathing vapors or mists. May cause irritation of<br>respiratory tract.    |
| Ingestion<br>Conditions Aggravated by Exposure   | Ingestion may cause gastrointestinal irritation, nausea,<br>vomiting and diarrhea.<br>The toxicological properties have not been thoroughly<br>investigated.           |

This product is for experimental uses only. The product has not been completely analyzed and all of the hazards may not be known.

| Section 12- Ecological Information                            |  |
|---|--|
| No data available.  |  |
|   |  |
| Section 13- Disposal Considerations                           |  |
| Appropriate Method of Disposal of<br>Substance or Preparation | Contact a licensed professional waste disposal service to<br>dispose of this material. Dissolve or mix the material with a<br>combustible solvent and burn in a chemical incinerator<br>equipped with an afterburner and scrubber. Observe all<br>federal, state, and local environmental regulations. |
| Section 14- Transport Information                             |  |
| DOT   |  |
| Proper Shipping Name  | None   |
| Non-Hazardous for Transport                                   | This substance is considered to be non-hazardous for transport.  |
| IATA  |  |
| Non-Hazardous for Air Transport                               | Non-hazardous for air transport  |

| Section 15- Regulatory Information   |   |
|--------------------------------------|---|
| US Classification and Label Text     |   |
| US Statements                        | Caution: The chemical, physical, and toxicological properties<br>of this product have not been thoroughly investigated.<br>Exercise due care. |
| United States Regulatory information |   |
| SARA Listed                          | No  |
| Canada Regulatory information        |   |
| WHMIS Classification                 | This product has been classified in accordance with the   |
|                                      | hazard criteria of the CPR, and the MSDS contains all the   |
|                                      | information required by the CPR.  |
| DSL                                  | No  |
| NDSL                                 | No  |

## Section 16- Other Information

NovoPro corporation MSDS is believed to be correct but only used as a guide for experienced personnel, NovoPro shall not be held liable for any damage resulting from the handling or from contact with the above product.
