Anti-DDOST/OST48 antibody

Catalog Number: 103483

Product name

Anti-DDOST/OST48 antibody

Immunogen

Human DDOST/OST48 recombinant protein

Specificity

Human DDOST / OST48

Antibody description

Rabbit polyclonal to DDOST/OST48

Preparation

Produced in rabbits immunized with purified, recombinant Human DDOST / OST48 (rh DDOST / OST48; P39656-1; Ser 43-Pro 427). DDOST / OST48 specific IgG was purified by Human DDOST / OST48 affinity chromatography.

Formulation

0.2 µm filtered solution in PBS with 5% trehalose

Storage

This antibody can be stored at 2°C-8°C for one month without detectable loss of activity. Antibody products are stable for twelve months from date of receipt when stored at -20°C to -80°C .

Preservative-Free.

Sodium azide is recommended to avoid contamination (final concentration 0.05%-0.1%). It is toxic to cells and should be disposed of properly. Avoid repeated freeze-thaw cycles.

Clonality

Polyclonal

Ig Type

Rabbit IgG

Applications

ELISA, WB, IHC-P

Dilutions

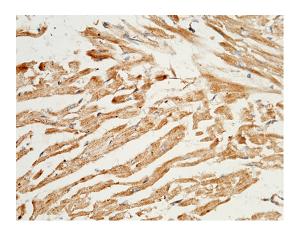

WB: 20-50 μg/mL

ELISA: 0.1-0.2 μg/mL

This antibody can be used at $0.1\text{-}0.2~\mu\text{g/mL}$ with the appropriate secondary reagents to detect Human DDOST. The detection limit for Human DDOST is approximately 0.039~ng/well.

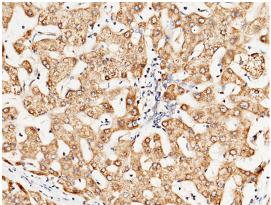

IHC-P: 0.1-2 μg/mL

Validations

DDOST / OST48 Antibody, Rabbit PAb, Antigen Affinity Purified, Immunohistochemistry

Immunochemical staining of human DDOST in human heart with rabbit polyclonal antibody (1 μ g/mL, formalin-fixed paraffin embedded sections). Positive staining was localized to cardiac muscle.

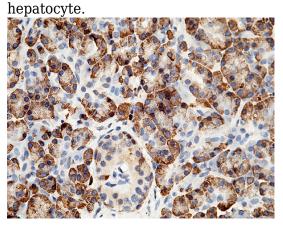

Anti-DDOST/OST48 antibody

Catalog Number: 103483

DDOST / OST48 Antibody, Rabbit PAb, Antigen Affinity Purified, Immunohistochemistry

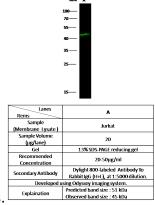

Immunochemical staining of human DDOST in human liver with rabbit polyclonal antibody (1 μ g/mL, formalin-fixed paraffin embedded sections). Positive staining was localized to

DDOST / OST48 Antibody, Rabbit PAb, Antigen

Affinity Purified, Immunohistochemistry

Immunochemical staining of human DDOST in human pancreas with rabbit polyclonal antibody (1 μ g/mL, formalin-fixed paraffin embedded sections). Positive staining was localized to

pancreatic acinus.

DDOST / OST48 Antibody, Rabbit PAb, Antigen Affinity Purified, Western blot
