

Rabbit anti V5-Tag pAb

Catalog Number: 166305

Product name

Rabbit anti V5-Tag pAb

Antibody description

Polyclonal antibody to Rabbit anti V5-Tag

Preparation

Antigen: A synthetic peptide of V5 epitope

Formulation

PBS with 0.02% sodium azide, pH7.3.

Storage

Store at 4°C. Avoid freeze / thaw cycles.

Clonality

Polyclonal

Ig Type

Rabbit IgG

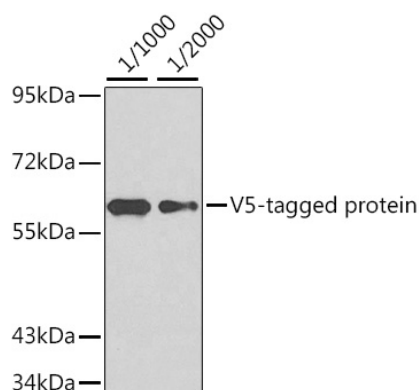

Applications

WB

Dilutions

WB 1:1000 - 1:2000

Validations

Western blot - Rabbit anti V5-Tag pAb

Western blot analysis of over-expressed V5-tagged protein in 293T cell using V5-tag antibody at different dilution. Secondary antibody: HRP Goat Anti-Rabbit IgG (H+L) at 1:10000 dilution.
